

The Wrong Blood, 2011, Manuel de Lope, 0099551853, 9780099551850, Random House, 2011

'It was the month of May, or the month of June, in any case summer was near, and within only a few weeks the war would break out...' On the cusp of the Spanish Civil War in a coastal village in the Basque country, three men stop off at Extarri's bar on their way to the wedding of Captain 'chicken thigh' Herr iz to Isabel Cruces. One of the men, the rich man from Vera, disappears to the latrine and fails to return. He has suffered a stroke and this bizarre and undignified event, seemingly so incidental, marks the beginning of a powerful story about two women whose bond u and whose secret u will endure even in death. Abandoned by her parents shortly after the outbreak of war, sixteen-year-old Mar a Antonia Extarri is left at the mercy of the soldiers taking up residence in the bar. Whilst Isabel Cruces enjoys a blissful honeymoon with her Captain in Biarritz, Mar a is raped. Months later, the valiant Captain Herraiz is shot as a traitor. Suddenly both women find themselves violently altered, alone, and pregnant. A crippled young doctor, Castro, is the only witness to the mysterious and silent agreement these two women form in the loneliness and desperation of their mutual suffering. Many years later, Isabel's grandson comes to stay at the big house where Isabel and the Captain were wed. It is kept by an old servant, Mar a Antonia Extarri. Dr Castro still lives next door, and the grandson becomes a reluctant friend to him. Their conversations awaken ghosts haunting Mar a Antonia and Castro. Creepy and compelling, The Wrong Blood is an hypnotic read from a master storyteller.
